Miss Wimperis says....

We are feeling festive after an energetic start to December with Freddy Fit! There has been a real noticeable change in the weather. Please ensure that children are coming to school in warm coats, hats, gloves and scarves!

Our Eco Council have launched the 'Cut the Carbon' home challenge. We are asking all children to try to do 6 things to reduce their own carbon usage!

Our Word of the Week:

rules

Attendance Champions!

Year 6

Our attendance target is 96%.

#everydaycounts

	Ihsan	For always trying his best and in supporting others.
Y6	Ayana	For always asking for help to make sure she understands
	Ola	For always working so hard and trying his best

What's been happening this week?

Year 6 parents joined the class in making Anderson shelters. The children loved sharing their knowledge of WW2 with their parents.

Check out the School Spider App or www.westwoodacademy.org for school updates and class blogs!
