Miss Wimperis says....

What a fabulous week we have had this week! On Monday, our school council met with our CEO and Director of Education to share all the wonderful things that our school council, eco-council and mental health ambassadors have been working on. Next week, our eco council will be planting trees in EYFS!

DT in Action!

This week, Year 4 invited their parents in to see DT live in action! They have been busy making wire sculptures. The children loved sharing their learning with their parents.

Westwood In Action

Westwood School Council have been thinking about how they can help their local community. This week, our children shared their favourite stories with elderly people at Neville House. Neville House said that they were a joy to have and we hope to visit them again soon!
