Miss Wimperis says...

It has been a brilliant start to the summer term. Lots of children are attending our after school clubs, but there are still some spaces if children would like to attend! A gentle reminder that school starts at 9.00am. It is really important that children are on time so they don't miss any learning! Don't forget that breakfast club is open from 8.30am!

What an 'egg-cellent' week!

As part of their learning this half term, EYFS had an exciting delivery of eggs on Monday! They have carefully observed them hatching into adorable chicks and learning lots of interesting facts!
