

It is important that your grant is used effectively and based on school need. The <u>Education Inspection Framework</u> makes clear there will be a focus on 'whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school'.

Under the <u>Quality of Education</u> Ofsted inspectors consider:

Intent - Curriculum design, coverage and appropriateness

Implementation - Curriculum delivery, Teaching (pedagogy) and Assessment

Impact - Attainment and progress

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit
 pupils joining the school in future years
- The Primary PE and sport premium should not be used to fund capital spend projects; the school's budget should fund these.

Pleasevisitgov.ukfortherevisedDfEguidanceincludingthe5keyindicatorsacrosswhichschoolsshoulddemonstrate animprovement. This document will help you to review your provision and to report your spend. DfEencour ages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and Sport Premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to <u>publish details</u> of how they spend this funding, including any under-spend from 2021/2022, as well as on the impact it has on pupils' PE and sport participation and attainment. **All funding must be spent by 31st July 2023.**

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2023. To see an example of how to complete the table please click HERE.

Details with regard to funding

Please complete the table below.

Total amount carried over from 2021/22	£0
Total amount allocated for 2021/22	£17700
How much (if any) do you intend to carry over from this total fund into 2022/23?	£0
Total amount allocated for 2022/23	£17,670
Total amount of funding for 2023/23. To be spent and reported on by 31st July 2023.	£17,670

Swimming Data

Please report on your Swimming Data below.

Meeting national curriculum requirements for swimming and water safety.	
N.B. Complete this section to your best ability. For example you might have practised safe self-rescue techniques on dry land which you can then transfer to the pool when school swimming restarts. Due to exceptional circumstances priority should be given to ensuring that pupils can perform safe self rescue even if they do not fully meet the first two requirements of the NC programme of study	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2022. Please see note above	60%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]? Please see note above	53%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	17%
Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes

Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for pupils today and for the future.

Academic Year: 2022/23	Total fund allocated:£17,670	Date Updated:	June 2023]
			Percentage of total allocation: 21.2%	
Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:
Train Sports Leaders in KS2 to increase physical activity levels and develop pupils' leadership skills	 Y5 children to complete the Play Maker award - certificated through Sport Coach UK Celebrate pupils who complete and gain the Play Maker award Work with Midday Supervisors to support Sports Leaders Children take charge of organizing activities during lunch times for EYFS and KS1 		Sports leaders delivering daily lunchtime activities with children, which has increased engagement and participation in active sport.	Continue to develop the role of sports leaders by completing the Play Makers award
Improve the quality and quantity of PE equipment for playtimes and dinner times	 Sport Leaders to audit equipment and create a questionnaire to get children's ideas on what equipment they would like for play and lunch time Purchase playground equipment –with various equipment to make break times more active and enjoyable 	£500	More children are now active during playtime and lunchtime through the use of the new equipment	Sports leaders to complete a yearly audit and work with the PE lead to purchase new play/lunchtime equipment

Provide bikes, scooters and trikes for Y1 and Y2 to engage in a higher level of fitness at break and dinner times	 Purchase age appropriate bikes, scooters and trikes to make break times more active and fun 		More children are now active during playtime and lunchtime through the use of the new bikes, scooters and trikes	Ensure that the bikes, trikes and scooters are maintained and replaced when required. Book KS2 children onto the Greater Manchester Transport, scootability programme for Autumn Term 2024
Ensure that children leaving school in Y6 attend swimming sessions which over and above the national curriculum requirements Develop the role of Health Champions to involve pupils in improving their mental health and physical activity levels at school	OCL swimming lesson during the summer term Encourage parents to take pupils to swimming as part of OCL free swimming session offers for those who have school swimming lessons Link Health Champions with the CLT and develop their role within the academy Identify a team of Health	swimming lessons £300 course £500 staffing	Children in Year 6 received top up swimming sessions which over and above the national curriculum requirements Health Champions have developed active ways to support mental health and well-being during lunch times and playtimes	Top up swimming lessons will not be required in 2023-24 Continue to develop the role of Health Champions in supporting the health and

Westwood Academy Review of 22/23 and looking ahead to 23/24

Rationale

At Westwood Academy we aim to build on children's natural enthusiasm for physical exploration by providing stimulating, purposeful and challenging experiences through games, dance, gymnastics, swimming, athletics and outdoor and adventurous activities. We aim for as many pupils as possible to engage in activities that promote their physical development including being involved in competitive sports.

We know from evidence that physically active children are not only healthier but do better academically and in life; they are far more likely to be active as adults. The first ten years of life provide children with a blueprint for their adult lives and is the time when they develop the critical fundamental movement skills that act as foundations and building blocks for future activity.

Review of 22/23

The impact of the actions taken across 22/23 have detailed in the tables beginning on p5 of this document.

Summary of proposed targets for 2023-24

Achieve the Play-makers Award Embark on Greater Manchester Transport's 'scootability' programme Participate in Oldham Active Health Champion events (now including mental health) School Council to influence extra-curricular sports clubs Compete in borough and trust-wide leagues and tournaments Involvement in SEND inter-schools competition

Intended Impact of the Pupil Premium / Sports Funding

It is intended that the above actions will be sustainable over time as they focus on:

- the engagement of all pupils in regular physical activity
- raising the profile of PE and sport across the school as a tool for whole-school improvement
- increased confidence, knowledge and skills of all staff in teaching PE and sport

- broader experience of a range of sports and activities offered to all pupils
- increased participation in competitive sport
