Mrs Ashton says...

On Monday, our children observed one minutes silence to remember and honour those who have made sacrifices for the country. Lots of children also bought poppies and the money has been donated to the Royal British Legion. A gentle reminder that as it is getting colder, please ensure children are wearing a coat to school and hats, scarves and gloves too!

Children In Need

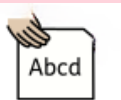

#beafundraiser

#challengeyourself

On Friday, our children had a wonderful day supporting children in need. They wore something yellow or spotty and challenged themselves to bake/make a sweet treat! Thank you to all the families who supported our bake sale.
