Mrs Ashton says...

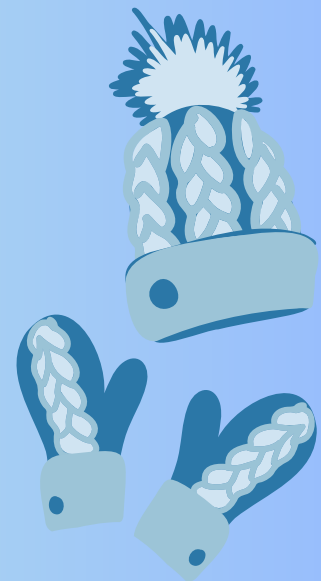

Welcome back and Happy New Year! The children have had a fantastic start to 2025 and have been thinking about their goals for this academic year! Next week, our Year 6 children go on their residential to Robinwood! We hope they thoroughly enjoy the experience. #theharmonypledge #beadventurous!

A gentle reminder to all parents for children to come to school wearing coats, hats, gloves and scarves.

When it is too icy, children will stay in and play board games, do drawing activities and read.

However, if it is safe, we prefer for children to wrap up and enjoy the fresh air!
