## What has each class been learning about this week?

EYFS- In EYFS we have had a very busy week performing our Christmas Nativity for the whole school and for our parents. We have had lots of fun joining in lots of Christmas activities and learning all about the story of Christmas.

Year 1- This week in English, we have been writing a non-chronological report about The Great Fire of London and writing a letter to Santa. In Maths, we have been recapping our fact families, number bonds and using a number line.

Year 2- This week in English, we have written a letter to the man on the moon and released it into the sky using balloons. In Maths, we have been learning about money and buying Christmas presents.

Year 3- This week in English, we have been describing our character, The Christmassaurus and we have written short elf poems. In maths, we have been multiplying and dividing by 8.

Year 4 - This week in English, we have been learning about the Sound Collector in poetry. In Maths, we have been revisiting number.

Year 5 - This week in English, we have been learning about different types of poetry. We have been writing our own acrostic poems about the golden age and Islam. In Maths, we have been solving word problems involving addition and subtraction.

Year 6 - This week we have enjoyed learning all about capacity in maths and learning how to measure scales. In topic we have been nearing the end of WW2, where we studied D-Day and the famous Normandy landings. In English we had to pretend we were Santa and reply to children who had asked for presents.
