

THE HARMONY TRUST Westwood Academy

Miss Wimperis says... A huge well done to our wonderful Year 6 children who gave 100% in their SATS this week! They have been hard working, resilient and dedicated and we are so proud of them. Year 6 you are shining stars!

Miss Wimperis' news

Our NEW Oldham Active Coaching drop-in sessions are launching on Monday 9th May. Fun and fitness fuels kids' bodies and minds.

Our Oldham Active Coaching drop-in sessions – Dance, Football and Multi-sports – offer LOADS of both, plus the opportunity to try exciting new activities and develop fresh skills.

Open to all primary-aged children and led by our fully qualified professional sports and dance coaches, the focus is very much on FUN – they won't even realise they're doing the fitness bit!

There's lots of evidence to prove just how important exercise is for kids.

It's not just great for healthy growth and development, it does wonderful things for their minds too, improving concentration, confidence, self-esteem and lowering stress and anxiety levels.

Sporting activities are also one of the best ways for children to socialise and get them out and about.

And while they're having the time of their lives, learning a new skill and making new friends, you can make the most of our fantastic facilities – swim, gym, class, sauna, whatever makes you feel good, healthy and happy too!

The Pay and Play drop-in sessions cost just £5 per child.

They're up and running across our leisure centres in Oldham, Radclyffe and Failsworth – just check out what's on offer, ask your child which they'd prefer and bring them along to one of the drop-in sessions!

Word of the week

Respect means to treat others how you would want to be treated.

Attendance Champions!

Well done Year 6
