

# THE HARMONY TRUST

## Westwood Academy

Miss Wimperis says ... Well done to Y4 for all of their hard work, determination and resilience in preparing for the Multiplication Tables Check!  
#beanexpertlearner

### Miss Wimperis' news

#### Boys football tournament

This week Year 5 and 6 had a tremendous time playing football against all the other schools in The Harmony Trust in Oldham. The weather was perfect and the boys and girls really enjoyed themselves!

#### Year 4 multiplication tables check

This week, Year 4 completed their Multiplication check. All the children tried their very best and made everyone at Westwood Academy very proud!  
Well done Year 4!

#### Word of the week

**Emotional** which is a feeling you have based on your mood, situation and relationships.

#### Attendance Champions!

**Well done Year 4!**

## Stars of the week

Year group	Stars of the week	Reason for the award
Nursery/Rising 3s	All of Nursery	For being expert learners in Maths and being able to use the correct vocabulary when describing different positions.
Reception	Raysa Daniyal	For super effort in phonics and trying hard to use her phonics to read words. For doing good listening during learning time and being able to tell the teacher some information about lifecycles.
Year 1	Harees Aryan	For fantastic tens and ones work in Maths and producing a fantastic description in English For fantastic independent English work.
Year 2	Hamza U Maher	For an amazing advert! For being able to share how he feels!
Year 3	Fahima Nafeesa	For facing her fears and for swimming like a dolphin in her first lesson! For working very hard in maths assessment and never giving up!
Year 4	All of Year 4	For completing our Y4 Multiplication Check to a high standard and all trying our very best!
Year 5	Ghania Amina	For showing excellent acting skills when practising for the Shakespeare festival. For practising her timetables and pushing herself to achieve what she is capable of!
Year 6	Thamim Aisha K	Both our stars of the week are for working extremely hard and having a great attitude to their writing.

### What has each class been learning about this week?

**EYFS-** This week we have been finding out about the lifecycle of a frog. Nursery made some fantastic frogs using collage and reception did some brilliant writing to share what they know about frogs. In Maths, Nursery have been learning all about positional language and Reception have been learning how to 'Take away'.

**Year 1-** This week in English we have been writing a description about being on a plane! In Maths we have been practicing counting one more and one less and also partitioning our numbers into tens and ones.

**Year 2-** This week, in English, we have created amazing adverts to persuade people to visit Lytham St Anne's beach! In Maths, we used beebots to help us to learn about half turns, quarter turns, clockwise and anti-clockwise!

**Year 3-** This week in English, we have moulded ourselves into the BFG and have created a superb setting description of the BFG's cave. In maths, we have been learning about shapes and angles and worked our to complete our reasoning and arithmetic quizzes.

**Year 4-** This week in English, Year 4 have been working collaboratively to research facts about Dragons. In Maths, we have started to look at and interpret charts. We were introduced to circuits in Science and made our own circuits discussing why they worked or did not work! We were all super scientists!

**Year 5-** This week in English, we have been learning about deforestation. We did a P4C lesson about whether deforestation should be banned and wrote a poem about our thoughts. In Maths, we have been multiplying and dividing numbers.

**Year 6-** This week year 6 have been continuing creating bookmarks and Miss Corbett was super impressed with the quality of them. We have also been investigating the human circulatory system - by exercising and then measuring our heart rate. Ask us what we discovered!
